ABOUT ME

Who am I?

My name is Richard Jones and i am an enthusiastic Web Development graduate, who enjoys being part of, as well as leading, a successful and productive team. I am quick to grasp new ideas and concepts, and to develop innovative and creative solutions to problems. As a Web developer i have gained a great amount of knowledge of how a website works and functions from both back end and front end development. I am also an eager individual who has a passion for this industry and who has developed projects during my time.
